

# Energizer **HARDCASE PROFESSIONAL**® Spotlight

# HCSP611

Serious projects demand serious lighting, look no further than the *Energizer* **HARDCASE PROFESSIONAL**® Spotlight. This light has been designed to withstand drop after drop, off a ladder or even a two story building. Constructed with rugged steel and rubber materials, this light is designed to meet the most demanding jobs. With advanced LED technology, the powerful beam can span the distance of four stadium fields, while high and low mode option allows the user to maximize brightness or runtime. Bright and durable, *Energizer* **HARDCASE PROFESSIONAL**® Spotlight is ready for any task.

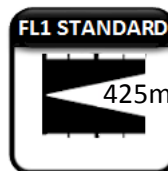

Provides  
600  
Lumens of  
Light

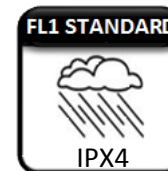

Provides  
Run Time of  
6 hours 15  
minutes

Sustains 7  
Meter  
Drop Test

Illuminates  
objects up to  
425 meters  
away.

IPX 4  
Water  
Resistant

### DESIGN BENEFITS

- ✓ Exceptionally durable construction
- ✓ Survives drop after drop from a two-story building
- ✓ High and low modes for customized brightness and runtime
- ✓ Built-in lanyard slot

### LIGHT AND POWER SOURCE

- ✓ Features LED Technology
- ✓ Operates on 6 AA batteries

### CERTIFICATES AND COMPLIANCE

CE RoHS

EMC, EN62471, FCC

Tested according to ANSI/NEMA FL1 Standards. Results based on: Energizer® MAX® Alkaline / E91

### PERFORMANCE BENEFITS

- ✓ Latest LED technology provides a bright spot light for a variety of tasks
- ✓ Powerful beam distance to see objects far away
- ✓ Water resistant for outdoor tasks
- ✓ Excellent run time

### SPECIFICATIONS

**Weight Excluding Batteries:**

525 Grams / 18.5 Ounces

**Dimensions:**

203mm x 89mm x 64mm / 8" x 3.5" x 2.5"

### NUMBER OF OPERATING MODES: 2

Mode	Lumens (lm)	Runtime (h)	Beam Distance (m)
High	600	6h 15m	425
Low	215	22	270
